REFERENCE LETTER

Pro Deo, French agency of the Danone Nations Cup, has organized the 2012 Danone Nations Cup event in Warsaw, on behalf of Group Danone:

CCA company has provided us excellent services of internet connections at the Osir Bemowo venue, where we organized the Qualifications games of the event, from Sept. 5th to Sept. 8th, 2012, and at SGGW University, where our delegations were hosted.

The CCA IT presence and support all along our event has allowed an efficient help to all our staff, guests and media who came and worked at the venues (average 150 persons)

As production director of the event, I am grateful to CCA.

With my best respect,

Sabine Diamant
